LET'S BE GATSBY!

Do you know that tingling feeling before a special night, the desire for champagne, the anticipation of the sound of flying corks?

The finest threads already laid out, the dancing galoshes polished and the feather boa thrown around your neck?
If you love these special nights just as much, then vocaldente will take you on a night inspired by the Roaring Twenties.

With "Let's be Gatsby", the five gentlemen from Hanover will show you their new program with musical acrobatics and verbal gallantry and promise you an exhilarating evening with more than just swing.

As usual, we will serve up a bubbling goblet of musical ideas from classics such as "Puttin on the Ritz" and "Sweet Dreams" to "Wake me up before you go go". So dive in and celebrate this glamorous party with us like there's no tomorrow!
